

Rules of conduct

for use of the sports slide

1. Match your speed to your own ability and to the prevailing conditions.
Keep at least min. 20 metres behind the person in front.
The person ramming from behind is liable for all the consequences of collisions.
2. Hold the brake lever with both hands.
Keep your hands off the slide!
3. Stopping on the way down and blocking slide are prohibited.
Reduce speed promptly if you see any obstruction.
4. The slide will be closed down if it becomes wet.
5. Leave the slide immediately if it begins to rain (take the slide-car to the bottom station.)
6. Children under 8 years of age may use the slide only if accompanied by adults (with a double slide-car). Adults are not allowed to ride together with a double slide-car.
7. Get out as soon as you reach the end.
Take the slide-car with you and leave it at the point marked.
8. The instructions of the operating staff are to be followed without question.
9. You use the sports slide at your own risk.
Parents and guardians are liable for the safety of their children and wards.
No claim is accepted for damaged clothes.
10. These rules are to be observed to the letter.
You agree to abide by them when you buy your ticket.
